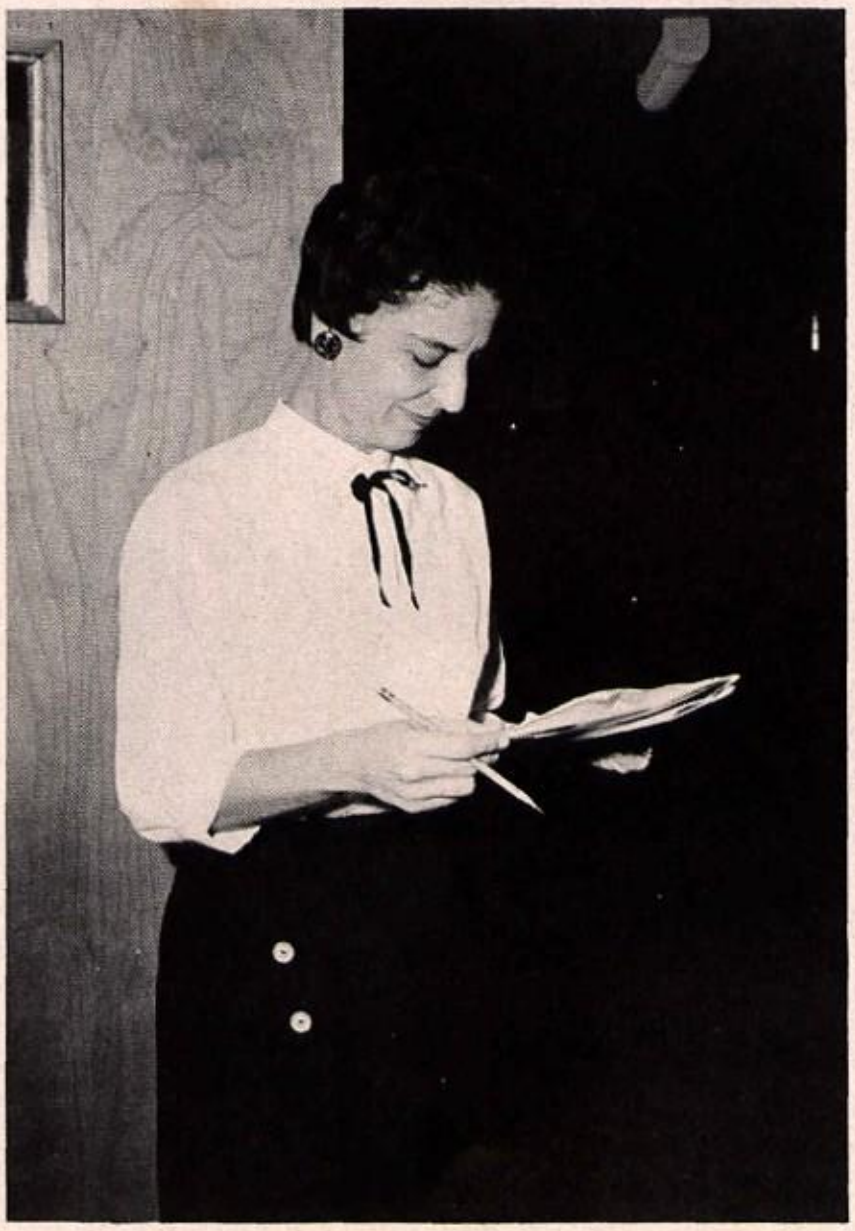
DEDICATION

In her we find a wise counselor and a sincere friend as well as an accomplished teacher. We admire and appreciate her noble character, her sense of humor, and most of all her human understanding.

As Senior sponsor she has worked with untiring effort and enthusiasm to make the year of the 1958 Senior Class more profitable and enjoyable.

We dedicate The 1958 Mirror to you, Mrs. Emily Edwards, because we esteem you for your integrity; admire you for your ability; honor you for your service; love you for ---- yourself.

Mrs. Edwards looks over a report on Senior magazine sales.



Students enjoy a friendly smile and a pleasant atmosphere in her classes.

"Green" freshmen; "silly" sophs; "jolly" juniors; dignified seniors; these adjectives apply to none of us all the time and to all of us some of the time. Each class pursues its particular program, combining activities that are fun-making and fund-raising, vying with other classes in keen, wholesome competition; however, as a student body, the classes lose their individualism, and it's "All for one and one for all"--the true spirit of Woodruff High.

Important in the school life of the Woodruff High student are the activities in which he participates. For almost every interest a student has, there is a club or an organization to further and develop that interest. Each club has projects which help to develop responsibility and perseverance in the character of the student.

One of the most popular activities at Woodruff High is athletics. The reason for this popularity stems from the fact that it is enjoyed, not only by the participants, but also by the spectators. Besides providing pleasure, it promotes what is even more important - physical and mental alertness. The spirit of a school is always reflected in the way that it supports its athletic teams. The knowledge and experience of the coaches and the support of the student body have contributed greatly toward making 1957-1958 a successful year in athletics.
